

Dear Residents

Thank you for your patience while we have been negotiating with Cheshire West and Chester (CWAC) for a bus service for Delamere Park.

We've had productive meetings to discuss the complexities of providing a viable and sustainable service. We are delighted to report that CWAC have so far agreed to a Wednesday timetable for the Park, on a trial basis, starting from 31 July 2019.

The proposed Wednesday bus timetable will offer access to the following:

Delamere Park to Northwich

- Shops and train station at Cuddington
- Shops at Weaverham
- Shops, restaurants, cinema at Northwich

Delamere Park to Frodsham

- Direct access to Morrisons supermarket (located next to the bus stop)
- Shops, tea shops, restaurants and pubs
- Train station with excellent links to Chester, Warrington and Manchester

We'll let you know the cost per trip when we have the information to hand.

This exciting development provides the Park with the opportunity to demonstrate your commitment to using this service. It has become clear from our meetings with CWAC that we must fully utilise the bus service to have any chance of extending it in the future.

We have challenged CWAC to broaden their offering and they will be exploring the options that may be available to Delamere Park in due course. We will continue to communicate with the CWAC regarding this.

The following Community Support Transport services, facilitated by the Cheshire Community Development Trust, are also available to Delamere Park residents and are intended to supplement the new bus service:

Dial-a-Ride
Rural Rider
Volunteer Car Scheme

Information leaflets describing the Community Support Transport services will be made available in reception very shortly.

In the meantime, if you have any questions please leave your name and telephone number at reception and one of us will get back to you.
