

Trustee Update 26th August

Swimming Pool

The pool has been a great success this week and our thanks go to Lucy for organising everything, Mark & Richard for their work getting everything cleaned up and Rod for getting the pool systems back up and running. Also thank you for all the residents who have used the pool and helped keep things disinfected.

The Pool bookings calendar is now live on the DPML website at <http://www.delamerepark.co.uk/parksport/booking-procedures/swimming-pool-bookings/> This only gives a “read only” view and it isn’t possible to book on line. However it does update every few minutes so it is a live view of what is available.

It has become apparent that people with disabilities may struggle to get in, out, clean up and have enough time in-between in the water to make it worthwhile in a 1 Hr slot. If this is potentially a problem for you please contact Lucy in the office and she will make every effort to assist as needed.

At present we don’t have the facilities for evening swimming but it’s an obvious next step even if only some days during the week. If you feel that evening slots would be of use to you it would help us to plan if you can please send an email to the office giving us an idea of what times/days would best suit you and how many slots per week/month you are likely to want to book.

Bar

You may have noticed that we have removed the Awning from the Patio. Don’t panic, its only temporary but with the weather warnings this weeks we have taken it indoors for safety! Weather permitting it will be back up for Friday evening but in any event indoor table service is still available if it doesn’t calm down enough!

OGM information

Firstly a reminder that questions for the Trustees need to be sent to the office by Friday afternoon

The accounts have finally appeared on the Companies House Website and can be viewed at <https://beta.companieshouse.gov.uk/company/01013623/filing-history>

The answers to all questions received and the voting papers/instructions will be sent out next week.
