### New Bar Procedures

Monday 19<sup>th</sup> July

From Monday 19<sup>th</sup> July the Bar will be operating with new procedures. Bar users and staff will no longer be required to wear a face mask, however we expect some individuals may choose to continue wearing a mask to move around the bar and may prefer to maintain a degree of social distancing. We ask that everyone is supportive of one another's personal choice on the matter.

**The Bar will therefore be operating the following procedures:**

- We ask all residents to use their entry fob and only enter the Club via the main door.
- Please don't attempt to enter via the fire doors or tailgate other residents.
- Booking a table in advance will no longer be necessary.
- Residents will now be able to order drinks from the bar.
- Sitting at the bar will not be encouraged, so no bar stools will put out at this time.
- We will continue to offer table service to anyone who wishes to remain seated, provided they are sitting in the Bar, Lounge or outside and under the canopy of the marquee on the patio.
- Anyone not sitting in these areas will need to order from the bar.
- For the time being we will continue with Card Payment only – sorry no Cash.
- Similarly Cashback will not be available with card transactions.

### Quiz Night Returns

The weekly Quiz Night will start up again from Wednesday 28<sup>th</sup> July in the Lounge.
