

Trustee Update 15th July 2021

Dear Resident

From Monday 19th July the clubhouse will reopen for use by all residents.

Face Masks

Users and staff will no longer be required to wear a face mask, however we expect some individuals may choose to continue wearing a mask, and we ask that everyone is supportive of one another's personal choice on the matter.

Fob Access

All resident's fobs will be reinstated for use. For Early Users this means that access can be gained from 7:30am Tuesday – Friday and from 8am Saturday – Monday until the Bar closes in the evening. Core Users and Junior fobs will allow access from 10am until the Bar closes in the evening.

Swimming Pool

Swimming slots from Monday 19th July will be 30 minutes in length, and swimming slot start times will be on the hour and at half past the hour throughout the day. If you want more than a 30 minute swim you are welcome to book back-to-back time slots.

Between 7:30am/8am and 10am (Early Access) a maximum of 4 individuals will be permitted in the pool at once. This is because early users almost all wish to swim lengths and we feel that 4 is a practical limit for this activity.

From 10am onwards, a maximum of 12 individuals will be permitted in the pool at once, this limit is for health and safety reasons. Given this limit we envision that there will only be a very few times when anyone is refused access to the pool.

The swimming pool booking system going forward will not prohibit anyone booking on the day or even turning up to swim so long as spaces are available. If you have not booked in advance, we would appreciate you informing our Office or Reception staff upon your arrival so that they can check to ensure that the maximum limit will not be exceeded in the pool.

When not accompanied by an Adult Resident, Juniors will only be permitted entry into the swimming pool/squash courts if their parent/guardian has completed and signed a parental declaration form to allow 'sports access' (see the Trustees update from 3rd June). Any non-resident guests aged 12-17 will also need the authorisation from their own parent/guardian before access will be permitted to the pool, unless they are accompanied by an adult resident at all times. Setting up this form of unaccompanied access may take a few days and so you should apply for any junior swimming access as soon as possible.

Room Bookings

The Park Room is once again available to be booking for both private events and community group events.

Clubhouse Access

All residents over the age of 12 will all need their own authorised fob to gain access to the clubhouse from 19th July. Please see the Trustee update that was sent out on 3rd June for further information.

Please don't tailgate upon entry, and only enter through the main clubhouse door not a fire door.
