The Events Group was formed in 2018 to put on events to encourage residents to make more use of the facilities on the Park, especially those in the Club House. We also want people to get together, enjoy themselves and to remember that socialising should be fun.

The Events Group will channel proceeds from events back into improving facilities, such as seating in the Park Room, with the intention of making attending events more pleasant for everyone. We are always keen to have more volunteers to help plan and organise events. If you would like to help, please get in touch [events@delamerepark.co.uk](mailto:events@delamerepark.co.uk)
