

Christmas with Belle Voci

Belle Voci have developed a unique style to bring opera to everyone and at their Christmas Concert they will be performing some classical renditions of modern songs together with festive favourites. Belle Voci will be appearing on:

Saturday 4th December '21 from 7:15pm in the Clubhouse.

Belle Voci first performed at Delamere Park in April 2016 to a packed Clubhouse. Their enchanting performance that night received a rapturous response and it was evident to all present that this new and exciting vocal duo were clearly destined for a glittering career. Emily and Sophie really made their mark following their success on TV's The Voice, where they progressed to the live final in 2018, performing on national TV to more than five million viewers. They have travelled all over the world to sing and have performed live on stage with tenor extraordinaire Alfie Boe.

The highlight of their careers so far, was singing the National Anthem Live at Wembley stadium for the FA Cup Final 2019 to a global reach of 88million. They also performed twice more at Wembley, for the FA Community Shield and the RFL Challenge Cup Final 2018. They are returning to their hometown region as part of their Christmas Tour and we are delighted they have agreed to include a special performance for the residents on Delamere Park. Their last appearance here at Christmas 2019 was rapidly sold out and we anticipate this event will also be very popular, so please get your tickets early so as not to be disappointed.

This is a Ticket only event that includes canapés on arrival and a light supper served during the intermission. Please mention any dietary requirements when booking. Tickets cannot be reserved and will be sold strictly on a first-come first-served basis.

Tickets now available at Reception, priced at £20 (Cash Only).
