

## DPML – Parental Consent form

### Conditions for Unsupervised Junior Access to the Swimming Pool/Squash Courts

Parents/Guardians who wish to allow their Junior child (Aged 12-17) to have independent access into the swimming pool and squash courts, must sign and agree to the following conditions. This will give the junior resident 'Junior with Sport Access' status.

- Unaccompanied Junior access to the swimming pool and squash courts is only permitted during the hours of 10am to 7pm
- Parents/Guardians must ensure that the Junior is a competent swimmer who can safely use the facilities unaccompanied by an adult.
- Juniors access the Delamere Park Clubhouse facilities, swimming pool and squash courts entirely at their own risk
- Junior Access will only be permitted into the facilities by use of their own access fob or through the digital signing in at reception
- Juniors must ensure that the main access door to the building is securely closed, and magnetically locked, as they enter/leave the building and they must not allow anyone to tailgate through the magnetically locked doors.
- The swimming pool is unmanned and no lifeguard will be present, therefore juniors must be particularly attentive to their own safety and well-being and ensure that they do not engage in anything that might increase the level of risk. In particular, they must not: dive into the pool, run in the pool areas, bring toys/balls/buoyancy aids into the pool and they must take care when walking on wet surfaces.
- Any behaviour deemed as unsafe by DPML staff will result in juniors being asked to leave the facilities immediately and may result in access to the facilities being temporarily suspended at the discretion of the Trustees
- Up to 3 non-resident guests may accompany a junior for the purpose of swimming and playing squash, only if the following conditions are met:
  - All non-resident guests aged between 12-17 years of age, must produce a 'Non-resident Junior, guest access pass' upon request. Staff will check this pass for authenticity before access is granted. If a Non-resident pass is not produced upon request, no access will be permitted into the swimming pool or squash courts. A non-resident pass can be obtained by completing the "Parental consent form for non-resident juniors" and submitting this to the office staff along with a photograph of the junior. **Staff will be required to authorise this request with the parents/guardians before a pass will be issued and therefore this application should be made well in advance.**
  - All guests aged 18 or over, will be permitted access only if they can produce ID to verify their age when requested by staff
  - All guests must be signed in electronically at reception under the junior's fob number
  - The Junior resident must remain with their guests at all times and will be responsible for their guest's behaviour
- Juniors are permitted access in accordance with the normal DPML procedures and byelaws and must ensure adherence to these Conditions at all times
- All emergency contact information provided to DPML must be kept accurate and up to date, any changes to these details must be reported to the DPML office staff directly.

- Failure to meet any of the above conditions or any attempt to try and deceive DPML staff as to the age or consent status of a Junior or their guest/s will result in all access to the Clubhouse facilities being suspended for that household for a period of 1 month.
