The Delamere Park Squirrel!

Have you seen the carved squirrel outside the club house?

We would welcome your thoughts on what to do with the remainder of the oak tree from which this squirrel was carved (by sculptress Angela Sidwell). Do we want a family of squirrels? Where would you like to see it or them?

Your comments please to news@delamerepark.co.uk

News from the 8th Annual Garden, Craft & Produce Show

The eighth annual produce show, held this year on the 12th September, saw many unique and fantastic entries, thank you to all who contributed and attended. The competition categories included; Vegetables & Fruit, Flowers & Plants, Floral Art, Home craft and Handicraft & Hobbies. John Muir was in attendance to handout the prizes to the winning entries.

This year however did see fewer entries than the previous year and so we encourage anyone who is interested in competing in next year's produce show to contact the Gardeners Club, who meet in the Park Room on the 4th Monday of every month. Finally, we would like to thank the sponsors of the raffle for their generous contributions.

Letter to the editor:

I haven't written to you before but I am now very concerned by the number of speeding motorists (mainly residents) in Delamere Park. This is a major safety issue which we all need to help resolve. I believe it's the same offenders each time but either way we need to stop it. Please can you raise the issue in the next news letter and propose that we change the speed limit to 20mph throughout the park. Thanks in advance Henry.
