

Party on the Park

The compère and the band were booked, the Ladies were ready and willing to serve teas but as we received no interest from any other Community Group to take part or help organise, this event has had to be cancelled.

News from Ladies' Club

LAND OF HOPE AND GLORY – doesn't feel like that here at the moment with all the (don't mention the B word shenanigans in parliament), but we all love it really, and HOPE is certainly what we need.

Our Ladies' Club outing this summer will hopefully rekindle our pride in Britain. Our excursion on **Sunday 21st July** is to a concert at Gawsworth Hall - “Proms by Candlelight”. The Locraire Ensemble and soprano Annette Wardell will recreate all the fun, glamour and patriotic fervor of the “Last Night of the Proms” at the Albert Hall. The beautiful setting of the Rose garden and Tudor Mansion at Gawsworth will be their backcloth.

We have spaces on the coach, it's not an exclusive ladies outing so if you would like to join us, please contact Judy Piper 888312 - j.piper121@btinternet.com. The cost will be approximately £34 depending on numbers and we will leave the club house at 5.00 pm. There will be a glass of prosecco on arrival but bring your own picnic, drinks and a cushion.

FUTURE MEETINGS

June 10th a change in the published programme, Ian Black will talk to us about “The History of Hairdressing”.

July 21st (Sunday) – Gawsworth outing.

September 9th Tai Chi – the origins and benefits of the practice – Lynette Bowler

As ever, we continue to provide an interesting and varied range of activities and talks. If you would like to join us, please contact Patsy Chuter on 889140/email ladies@delamerepark.co.uk

Thank you for your contributions

Ian Sharp (a resident) the Treasurer of Delamere Forest 41 Club handing cheques for £1000 to St Lukes Hospice and The Joshua Tree charities which were made up of the generous contributions from the Park.

Cricket Nets

The cricket nets will be dismantled due to safety reasons at the end of June having fallen into disrepair over the years. We will undertake this work late summer and landscape the area afterwards unless anyone has any serious reason why this should not happen.

Gillian Edwards (Councillor)

I am delighted to have been elected as one of your Cheshire West Councillors for the next 4 years. I would like to thank everyone who kindly voted for me, many of you know that this was my third attempt as I am so passionate about our community and I'm so grateful that you have given me this opportunity to represent you.

I very much look forward to working with you all over the coming years and intend to be a familiar face on the Park so please do come and say hello if you see me.

Park PALs

In March we greeted spring by going to Gibson's Mill at Kingsley for Brunch. Their breakfasts are so substantial they last all day. In April we went to the newly refurbished Leigh Arms for lunch which was followed by a stroll along the River Weaver. Our outing for May was on home turf at the Clubhouse where the Pals had a table at the old fashioned Sunday afternoon tea with its vintage china and wonderful selection of sandwiches and cakes.

In June Pam has booked a party of us to visit the garden in Bollin House in Wilmslow and for July we are looking forward to a garden party at a member's house. Future plans include a Treasure Hunt round Frodsham and a theatre visit to see Cabaret at The Storyhouse, Chester. We meet every month to plan our next event. We now have 25 members in the group. On your own? Come and join us. All singles welcome. For more information ring Barbara on 882533, Christine 301699 or Pam 889665.

Mindfulness in the Park

Over the last 4 weeks residents of Delamere Park have been taking part in an introduction to Mindfulness Course. So far residents have been introduced to a number of different mindfulness practices, from body scans on comfy sofas and hard floors to mindful walking around the Lodge trying not to be distracted by the plethora of art works and projects that catch the eye. We have a few more sessions and different practices to cover before the course ends just in time for summer.

But if you are interested we will be back in the Autumn. The Mindfulness group meets on a Thursday night so keep an eye out as come September I will be holding guided fortnightly practice sessions for anyone who is interested or would like a group to practice with.

If you would be interested in taking part in a course first, I would be happy to run a further introduction to mindfulness in the Autumn.

Last month this group held their AGM. This is not an ordinary AGM as we also combine this with a delicious lunch with homemade goodies and wine. This is followed by a Points Day competition, the winners receiving even more bottles of wine.

Why not join us for an interesting afternoon? Don't worry about not knowing how to play, we will give you every help and instruction. We meet on the second and last Thursday of the month at 1.30pm in the bar area. Enquiries 889665.

Hi everyone

What a gorgeous time of year spring is. The gardens are now full of growth and tempting us with the show to come.

The tulips have just about gone over and hasn't the blossom been fantastic this year.

We are starting in our veg garden to eat some of the fresh salads and an early rhubarb crop. The beans, peas and potatoes are on the way and in a few months we can get stuck into the tomatoes and cucumbers.

I hope you took my advice in the last newsletter and you also have some lettuce or tomatoes of your own to pick either in the garden or in pots getting ready for you to harvest really fresh garden produce.

During mid-May a number of our members went on a wild flower walk with one of our speakers and our May meeting was held out at Long Acre, an NGS garden in Bunbury. Some fantastic Gardening Club events.

For the next few months our meetings are as follows:

June 24th our speaker David Taylor will be talking about 'The Great British Summer', so why don't you join us for some fantastic ideas of places to go and flowers and plants to enjoy.

July 22nd is our annual Summer Social, a ticket only event for members and their guests when we enjoy an evening of food and entertainment, chatting with other members.

August - No Meeting

September 23rd a favourite speaker of ours Carol Madden who runs a small nursery in Flint and is a member of the Hardy Plant Society, Carol's talk will be 'Beautiful Bulbs', with ideas for next spring and summer.

Of course we cannot go without mentioning our Garden Safari, back after a year's absence. The weather has been kind so far and we hope it continues. We have a number of gardens and so the great charity event is on for:

Sunday June 30th. Programmes will be on sale before the event so please support the garden owners on the day while you have a good few hours around the Park followed by tea/coffee + cake.

Why not come along to one of our meetings and enjoy a Monday evening out. Initially as a visitor if you wish, and we will be very pleased to see you in the Park Room for 8:00pm start.

Contact Gardening Club through David Cooper Email: garden@delamerepark.co.uk or Mike McNeal through Reception for further information.

Happy gardening !

I am still being asked residents what can be done to reduce the speed of drivers (Young and Old, Male & Female) On DP. Residents and Delivery Drivers.

Must not forget using Mobile Phones whilst driving, that is dangerous, as we know.

Word of mouth is one of the best methods which is 'Cost Effective' i.e. No Cost!!

Any other method cost money and the question is Who Pays?

Other Matters; Common sense is the best advice. Most of the residents are of an age when common sense was the norm.

Warm weather reminds us to KEEP front doors and front windows should be secure if one is relaxing in the garden.

Similarly, when parking the car remember to close all windows and DO Not leave valuable items inside on view to those people who may wish to steal them.
