Please Note: that any work undertaken to change a property or boundary without first obtaining trustee approval and that is subsequently rejected by the Trustees, will need to be returned to its original appearance at the plot holders' own expense.

Delamere Park does not have Permitted Development Rights. Therefore, you will need to contact CW&C Planning Department to obtain either: full planning permission, or a document stating that planning permission is not required. The Trustees will not give any decision on an application until one of these documents has been provided.
