

Swimming Pool Rules

The use of the swimming pool is at the agreement of the duty receptionist, or a member of the office team, who have the authority to remove anyone behaving in an unacceptable manner.

DPML staff have the authority to refuse access to anyone they consider might represent a risk to themselves or other pool users.

The swimming pool is unsupervised and therefore the following rules must be followed for the safety of all:

- All children under 18 years old must be accompanied at all times by a responsible adult who is 18 years old or over. The only exception is for children aged 12-18 years old for which we have a valid sports access fob.
- All children under 12 years old must be accompanied at all times by a responsible adult who is 18 years old or over.
- No ball games are allowed at any time
- No inflatable objects are allowed except for approved swimming aids
- No throwing of **ANY** objects in the Pool
- Diving, jumping or bombing into the pool are not allowed
- Running in the pool area is not allowed
- Glasses/bottles are not allowed in any of the pool areas
- Alcohol is prohibited in all pool areas
- Outdoor shoes must not be worn beyond the pool entrance without the use of non-slip shoe covers. In the case of an emergency only DPML employees may need to enter the pool area without overshoes
