### Happy New Year

Happy New Year from all the trustees to all Newsletter readers and we would like to thank all the staff who worked over the Christmas period.

We would also like to welcome John Muir as a new trustee and this means we are now at full compliment. I am sure John will be a great help to the Trustee team.

### Swimming Pool

2015 did not start off as we would have wished, with a number of separate but cumulative problems affecting the pool heating system and shower extract systems. These were immediately addressed with various contractors involved in obtaining spares and undertaking replacement works. The pool is now up and running with temperatures back to the optimum 27–29c range. We would like to express our thanks to all pool users for their patience and understanding during this time.

### DP Website

We have updated the DP Website. As a result all those residents who have previously registered their email address should have received the following email.

*The Delamere Park Website has been upgraded using the latest software making it easier to maintain. To the naked eye it will look pretty much the same although the font style is different. As a result of this upgrade you will need to re-register your email address in order to continue to receive electronic communications.*

*We will continue to manage the lists of addresses we have until all residents have moved over so you won't loose out. However we would ask that you do this asap in order that the admin involved is kept to a minimum. Please use this link <http://www.delamerepark.co.uk/parktalk/newsletter-registration/> to register your email address. Any questions then please reply to this email.*

Thank you to all those residents who have registered their email address. Currently we have a significant number of residents who have completed part 1 of the process (entering their name and email address) but have not completed the second part of the process which is to reply to an email asking them to confirm.

The confirmation request will have been sent from **news@delamerepark.co.uk**. To ensure that this email reaches you please ensure that this address is in your Safe Senders List. If you do not reply to this email then your email address will not be registered and therefore you will not receive any future electronic communications. **The deadline for registering is February 28 after that time the list of email addresses will be derived from the new website so please ensure you complete the process.**

If you have any questions on the above then please send an email to Andrew Long at **news@delamerepark.co.uk**

### Newsletter Editor

Andrew Long, who has been producing this Newsletter for many years, feels it is time to recruit a volunteer replacement who can take a fresh look at the content and take it forward to a bright new future!

If you are interested or require more information then please email him at **news@delamerepark.co.uk** or call him on 888432.

## Notice to Plot Holders – Property Changes

Further to the item in the last Newsletter another issue with regard to property changes has come to light. A 'Chimney Epidemic' appears to be breaking out on the Park particularly in single story extensions which results in very visible chimneys some 3/4 meters high.

Can we please remind residents (again) of the covenant agreement contained within their property deeds, and that if they are considering **ANY** changes to their property or plot, they need to advise the Trustees of their proposals and seek approval. The Trustees hold responsibility for the managed development of the estate and must give their permission before work can proceed this includes such installations that might give cause to a visual intrusion to adjacent properties to ensure they are in keeping with the general style of the property. Your co-operation is appreciated.

## Broadband

At last Internet Super Fast Broadband is here on the Park, or so they say. Concerns about the quality and speed from residents seem to contradict this. If you have any issues with your internet service please could you raise these with your provider so that all complaints are logged.

## Clubhouse Roof

The Estates team are aware of ongoing problems with the Clubhouse roof, and as the inevitable leaks occur, will endeavour to have localised repairs undertaken. However, as many residents will appreciate from their own experiences, when you find that pool of water on the floor, or the damp patch on the ceiling, it's not always obvious how or where the rainwater is getting in !

To that end we have commissioned a report on the Clubhouse roof and will be discussing with the Surveyor the best methods of addressing the current roofing problems.

## Bar Manager

The permanent post of Bar Manager is currently being advertised and the Trustees expect to finalise a short listing for interview during February. In the interim, Kris Landells will continue to act in this role, and together with the existing bar team, support all bar activities and events over the coming weeks until the appointment is made.

## Christmas Dinner and Dance

The Christmas Dinner and Dance was a huge success and more tickets could have been sold if space was available. Sadly the evening did not run as smoothly as planned as the caterers had a staffing crisis due to sickness. Help was on hand though and we would like to thank all DPML staff who mucked in and became "waiters" for the night.

Due to the success of this event, we will be looking into the possibility of increasing the tables for this year's party or maybe even putting on two evening events.

## Children's Christmas Party

The Children's Christmas party was a huge success and 57 children got to meet Father Christmas. Thank you to all the helpers and volunteers who helped make this event a huge success and we hope to be able to repeat it in 2015 with enough support.

If anyone would like to get involved with the organization please contact Reception.

## Bar News

### Bar Events

As we enter 2015 we are intending to host more bar entertainment than last year and to start the ball rolling we now have the following events planned:

**Karaoke Night - Saturday February 14** Its time to get those vocal chords in training once again for our Karaoke Night in the Clubhouse Bar from 8:15pm. What an ideal way to enjoy a Valentine's Day if you have a 'LOVE' for singing! We are pleased to secure the professional services of Music Mix Entertainments for the evening, with the Karaoke run by Geoff Owen (a professional singer from the 60s and 70s genre) so please come along and join in the fun.

**Sunday Carvery (Mother's Day) - Sunday March 15** We are delighted to announce that Gary Wiffin, who has extensive experience as a Head Chef in Country Inns around Cheshire, has agreed to return to the Park and serve his Sunday Carvery on this special day. Gary pioneered the Sunday Carvery when it was first introduced on the Park in 2011 and we are going to revert to the same format, taking table reservations in both the Lounge and Park Room, with waitress service for optional starter or dessert courses and a choice of sittings from 12 noon through to 4:00pm.

The Carvery will offer a choice of 3 meats, together with roast potatoes, new potatoes and a selection of vegetables, Yorkshire puddings, stuffing and gravy. A vegetarian option and children's menu will also be available.

A further announcement will be made in February stating when bookings can be taken and this will be appear on notice boards in the Bar and Clubhouse and circulated to Residents on the Delamere Park emailing list. Gary's Carvery has proved to be very popular in the past, so as seating is limited, we recommend you book your table reservations early, so as to avoid disappointment.

### Plot Draw - Every Tuesday

Every Tuesday night there is a Plot Draw in the Bar. If your Plot Number is drawn out of the hat and you are in the Bar at that time, you win a cash sum. If it is not won the cash sum increases the following week by £25. At the time of going to print the Plot Draw currently stands at £350 but you have to be in it ... (the Bar that is) ... to win it!

### Quiz Night - Every Wednesday

Every Wednesday night is Quiz Night, which is held in the Lounge. The Quiz (including a picture round) starts at 8:30pm, so come along enjoy the challenge and see if you can win a prize.

The Youth Club restarted on January 9 and will run on Friday evenings from 7.30 till 9.00pm. All young people and their friends from 9 – 15 years are very welcome (entry fee of £1). The Youth Club is now being held in the Lodge.

In the Winter term we had a wide variety of activities including Scavenger hunts, Pizza making nights, Quiz night, Self Defence night, Hexaflexagons, Halloween Horrors etc. In the last year the Youth Club has built up a lovely group of young people, so please come along and keep the enthusiasm for this club going.

This term we have planned a very varied list of events as shown in the insert. We look forward to seeing you all and having loads of fun.

Finally, we are always looking for more help, so if there are any parents who would like to assist at the Youth Club on a Friday night (only a few nights each term!) please get in touch (youthclub@delamerepark.co.uk or talk to us on a Friday evening). We welcome any help and also any donations. So if your 'older' young people are heading off to college or university this year feel free to bring us the games, DVDs, etc. they no longer use!

## Ladies Club

A Happy New Year to you all. The lighter nights are on their way and Christmas is a distant memory, but just to update you, our December meeting was a very enjoyable party, starting the evening off with a glass of mulled wine followed by a luxury buffet including a fantastic selection of homemade desserts. Entertainment for the night was provided by talented singer Kurt Davies who sang a wonderful variety of songs and to round off the evening, everyone took to the floor to dance the night away and hopefully work off some of those calories.

In January our speaker Karen Corcoran told of her fascinating career of nearly 30 years with the Greater Manchester Police Force and how at the age of 20 she became the first mounted policewoman outside of the London Metropolitan area.

Karen had loved horses from a very early age and always knew that she wanted to work with them. After taking her 'O' levels, by chance she saw a poster at school offering a two day visit to the Manchester and Salford Police, having noted that the second day was a visit to the police stables. By the end of her visit she had applied to join the Police cadets and so her career journey began.

The mid 70's was a time of equality in the work place for women which no doubt led to an opportunity arising for her to be the first woman to join the 'horse division'. This was the start of what was to be a long and rewarding career as a mounted police-woman with the Greater Manchester Police force. She recalled that the highlight of her career had to be in 2002 when she was asked to take part in the Horse Pageant at Windsor Castle to celebrate the Queen's Golden Jubilee along with horse riders from all walks of life. How kind fate was to Karen to enable her to have such a fulfilling career, which all came about having spotted a poster displayed on the school wall.

We meet on the second Monday of each month at 8pm in the Park Room and our programme for the next 3 months is as follows:

Feb 9	2015 AGM ( <i>members only</i> )
Mar 9	The Origin of Nursery Rhymes ~ Jean Finney
Apr 13	Spring Flower Arrangements ~ Black Cat Floral Design

March is enrolment night and the start of a new 12 month programme so why not come and join our group, you will be most welcome.

## 39/45 Club

The December meeting was held on December 18, in the Park Room when 24 members sat down to a Hot Pot Supper, (catering by Mid Cheshire Catering), followed by a raffle and general natter. The 2015 meetings started on January 21 held in the Squirrels our normal venue. The speaker at our first meeting was Stephen Shakeshaft, a Chester City Guide. He last visited us 2 years ago with a talk and slides. This time his talk was entitled 'Chester Uncovered'.

Arrangements are in hand for our Annual Dinner/Dance at Sandiway Golf Club on Friday February 6 and details will be available at a later date.

## Delamere Park Singers

December was a very busy month for us with 5 concerts taking place. All of them were very much enjoyed by singers and participants alike. Dunham Massey and Tatton Park were particularly memorable but so too was the enjoyment on the faces of the residents at Redwalls and Gleavewood. Our fifth concert was, of course, the Delamere Park Carol Service. This again was a lovely evening, our thanks to all those who attended and to Derek Lawrenson for his help.

We now look forward to 2015 and to singing many more lovely songs from the shows, hymns, folk songs and a little bit of classical.

All our concerts are voluntary and monies raised go to the Huntingdon's Disease Association, to date we have raised about £625.00.

If you feel you would enjoy singing, do please come along and give us a try. We meet every Wednesday morning at 10.30am – 11.30am in the Park Room. If you know anyone who might like to come and sing, do give them my name and number Barbara Smith on 888844.
